The National Youth Employment Coalition

Since 1979 NYEC has been strengthening youth-serving organizations and advancing policy solutions for at-risk young people. As we enter our 40th year, learn more about our impact at nyec.org/what-we-do.

NYEC member benefits include:

- Access to a nationwide network of direct-service organizations, intermediaries and workforce boards, evaluators, and funders with deep expertise in working with opportunity youth.
- Discounted registration for our popular Annual Forum, a tight-knit gathering that's the premier place to problem solve, learn, and collaborate for leaders in youth development.
- Invitations to exclusive convenings, which in 2019 included dialogues on serving undocumented young people and justice-involved young people.
- Opportunities to influence policymakers and shape policy at the federal and state levels through NYEC's [advocacy efforts](#), as well as policy analyses that link developments in Washington and the states to your work.
- Members-only webinars and peer-learning opportunities. In 2010 topics included trauma-informed approaches, fostering entrepreneurship, designing career pathways for nontraditional sectors, and more.
- Funding opportunities, trends, and insights from the fields of youth development, workforce development, and education, including our newsletter *YouthNotes*.
